

Video Title: Dr. Alisa Alexander, Family Medicine

Student Name:	Date:
----------------------	--------------

Answer the following questions:

What is Dr. Alexander's job title and where is she from?
What was her job before her current one and how is it different than her current job?
What was her first degree in and where did she get it?
Where did she go to medical school?
What residency program did she complete and what is her specialty?
Does she see patients?
What are some of the things she does in a typical day? Does she have to coordinate with other agencies? Who?

What was the access to doctors in her home community?

Is this job important to your community and why or why not?

If you could ask this person one question, what would it be?

Write a paragraph about why you think this job is important and why (or why not) it might be something you want to pursue.
