

Video Title: Ethan Nelson

Student Name:	Date:
----------------------	--------------

Answer the following questions:

What is Ethan's job title and what does that mean?
Does he interact with patients and if so in what way?
What education is necessary to become a radiologic technologist and is it difficult?
What does Ethan do in a typical day?
What was the first pandemic Ethan worked through?
How is the job different than he expected?
What does Ethan like about this career?

What does Ethan suggest that students who are interested do to pursue this job?

Is this job important to your community and why or why not?

If you could ask this person one question, what would it be?

Write a paragraph about why you think this job is important and why (or why not) it might be something you want to pursue.
