

Video Title: Katie Tsigonis, Family Medicine

Student Name:	Date:
----------------------	--------------

Answer the following questions:

What is Katie's job title and where does she work?
Does she see patients? If so, what kind of patients does she see?
What is her specialty and what kind of work does she do?
How long does the education for this job take? What kinds of school do you need?
When did she decide what she wanted to do?
What part of the job does she find rewarding?
What advice does she give to students who might want to pursue this career? What qualities are most important?

Is this job important to your community and why or why not?

If you could ask this person one question, what would it be?

Write a paragraph about why you think this job is important and why (or why not) it might be something you want to pursue.
