The TCC Executive Board has made the commitment to comply with current laws, Board policies and advocate for reasonable changes in background check requirements. The TCC President and Vice President must successfully pass a (DHSS) Alaska Barrier Crimes Act Background check, (See also Executive Board Policy 50-5003), and must also pass the federal ICPA background check, which includes fingerprints **by February 15, 2022** submitted to Heather Rogers, Human Resources Director, at the TCC main office, ext. 3155. TCC Executive Board and Health Advisory Board candidates must submit their complete **background check application** which includes fingerprints by February 15, 2022, submitted to Heather Rogers, Human Resources Director. This allows enough time for the background check to be complete. Only those candidates that pass the background check will be eligible to continue as official candidates for the March 17, 2022 election.

Compliance with the TCC Board of Directors' Drug and Alcohol Free Policy #50-5001 applies to all TCC Executive and Health Advisory Board of Directors, with the exception of the Chief/Chair of the Board who is an employee who follows the employee policy. The policy is also subject to the provisions of all tribal, state, and federal laws. **All candidates must take and pass a drug test one week prior to the March 2022 elections**, according to this policy in order to serve their term if elected. Please contact Heather Rogers, Human Resources Director, at the TCC main office, ext. 3155 to arrange a drug test.
