The TCC Executive Board has made the commitment to comply with current laws, Board policies and advocate for reasonable changes in background check requirements. The TCC Executive Board and Health Board candidates must successfully pass a (DHSS) Alaska Barrier Crimes Act Background check, (See also Executive Board Policy 50-5003), and must also pass the federal ICPA background check, which includes fingerprints by **February 13, 2023** submitted to Heather Rogers, Human Resources Director, at the TCC main office, ext. 3155. This allows enough time for the background check to be complete. Only those candidates that successfully pass the background checks will be eligible to continue as official candidates for the March 16, 2023 election.

Compliance with the TCC Board of Directors' Drug and Alcohol Free Policy #50-5001 applies to all TCC Executive and Health Advisory Board of Directors, with the exception of the President & Chief/Chairman of the Board who is an employee who follows the employee policy. The policy is also subject to the provisions of all tribal, state, and federal laws. **All candidates must take and pass a drug test one week prior to the March 2023 elections**, according to this policy in order to serve their term if elected. Please contact Heather Rogers, Human Resources Director, at the TCC main office, ext. 3155 to arrange a drug test.
