PATIENT SIGNATURE

- I understand that I may revoke any authorization to release my records in writing at any time by notifying TCC, except to the extent that TCC has already used or disclosed information in reliance on my authorization. Such a revocation will be effective when TCC receives notice.
- I understand that any substance use disorder treatment records are protected under the federal regulations governing the confidentiality of substance use disorder patient records, 42 C.F.R. Part 2, and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and cannot be disclosed without my written consent unless otherwise provided for by those laws.
- For substance use disorder records: I understand that I might be denied services if I refuse to consent to a disclosure for purposes of TCC's treatment, payment, or health care operations, and that I will not be denied services if I refuse to consent to a disclosure for other purposes. For all other records: I understand that TCC may not condition treatment, payment, enrollment, or eligibility for benefits on whether I sign this authorization, unless that care is either research related or provided solely for the purpose of creating Protected Health Information for disclosure to a third party.
- I understand that 42 C.F.R. Part 2 prohibits the recipient of substance use disorder records from re-disclosing them to others, except with my consent, or in compliance with Part 2's rules. I understand that any other records disclosed based on this authorization may be subject to redisclosure by the recipient and may no longer be protected by the Health Insurance Portability and Accountability Act Privacy Rule [45 CFR Part 164], and the Privacy Act of 1974 [5 USC 552a].
- I may inspect or copy any information used or disclosed under this authorization. I have been offered a copy of this authorization, or may request one at any time. I understand that this authorization is voluntary and that I may refuse to sign this authorization.

By signing, I certify that I have been given sufficient time to read this authorization, ask questions, and agree to disclosure.
