## **COMPLETING THIS APPLICATION DOES NOT GUARANTEE SERVICES**

Under Public Law 102-477, the Employment & Training Department integrated the funds we have received from the U.S. Dept. of Labor with the U.S. Dept. of Health and Human Services, and the U.S. Department of Interior Bureau of Indian Affairs into a single coordinated comprehensive program/plan. All sources of alternative funding will be explored before program funds will be expended. All of Employment & Training Department services are supplemental resources. All applicants are required to apply for financial assistance from other State, Federal, and Private resources. All services are dependent upon available funding. The Coordinator of Employment & Training makes the final decision.

Supportive services can include funding for Tools, Work Clothing, Training, Room/Board, and Driver's License Courses. Funding can only be awarded in cases where the supportive service is directly linked to employment of the client.

## **Applicant's Appeal Procedures**

An applicant, who has been denied services, or feels he/she may have been treated unfairly, has the right to file a written appeal by following these procedures:

#### Step 1. Program Coordinator

An applicant may file a written appeal to the Program Coordinator and ask for reconsideration of their decision. The Program Coordinator has ten (10) working days after the date stamped on the appeal to respond. If the applicant is not satisfied with the Program Coordinator's decision, they may make an appeal to the Program Director (Step 2) within five (5) days of the Program Coordinator's decision.

#### Step 2. Program Director

The Program Director has ten (10) working days from the date they receive an appeal to review documentation, make a decision, and respond. If the applicant is not satisfied with the Program Director's decision, they may appeal to the Appeal Committee (Step 3) within fifteen (15) days of the Program Director's decision.

#### Step 3. Appeal Committee

The Appeal Committee meets regularly to review appeals. Once the Committee reviews an appeal, the Committee has seven (7) working days to notify the applicant of their decisions. All decisions made by the Appeal Committee are final.

Decisions affecting an applicant are made based on a review of program policies, procedures, and the required official documents. All decisions made by the Appeal Committee in Step 3 are final.

I have read, understood and received a copy of Applicant's Appeal Procedures outlined above.
