  TCC does not accept photographs of a Tribal Enrollment application.

- **A COPY/PICTURE of the Birth Certificate**
  Please submit originals to Tribal Office or to us by mail or in person. They will be returned in a sturdy envelope with certified mail.

- **INCOMPLETE Application and/or Family Lineage**
  If you do not possess the required documents and cannot, under any circumstances, obtain them, please call or email our office before submitting your application.

**What happens after I send the TCC Tribal Enrollment Program my application?**

TCC Tribal Enrollment does not determine or decide eligibility. We manage a large database of files and provide Tribal membership cards to members of the Tribes we serve. With our database, experience, and connections we process the applications, then forward them to the Tribe for their scheduled council meeting. For questions about the date and time of the next Tribal Council meeting or to inquire about a Tribal decision, please contact the Tribal Office. Tribal Councils will notify TCC Tribal Enrollment only with the final enrollment decision. Only when TCC Tribal Enrollment has a completed file including the (1) Tribal approval resolution, (2) complete application, (3) birth certificate, and (4) any other related documents) can we print a Tribal membership card.
