

**Nenana City School District  
Strategic Plan  
July 2026**

**Vision:** We strive to be Alaska’s exemplary rural district where we learn, grow, and lead.

**Mission:** To provide an innovative and inspiring education that empowers every student to discover their potential, pursue excellence, and build a meaningful future.

**Slogan:** Learn. Grow. Lead.

<b>Values:</b>	personal success	responsiveness
	mutual respect	trauma-informed and engaged
	integrity	progressive, flexible climate
	inclusiveness	engaged citizenship
	teamwork	life skills
	problem-solving	creativity
	student-centered learning	dignity and compassion
	student partnered learning	research-based and data-based

***Strategic Priority 1: Increase student success and support responsible and reflective learners***

Goal 1.1: Students have opportunities to grow and reflect on academics and life skills.

Goal 1.2: Staff grow professionally by receiving professional development and by reflecting on their practice using data-based and research-based strategies to support their role in student success.

Goal 1.3: Interactions with the communities and parents provide opportunities to support academic and personal growth.

***Strategic Priority 2: Cultivate lifelong safety and well-being through trauma-engaged techniques***

Goal 2.1: Students build emotional intelligence, resilience, integrity, and physical and emotional well-being with a focus on life-readiness, using data-based and research-based strategies as well as considering local and cultural relevance.

Goal 2.2: Trauma-engaged professional development and training for all staff to support and grow safety, integrity, and well-being among students and staff.

Goal 2.3: Interactions with the communities and parents are culturally responsive with an aim to cultivate safety and well-being.

***Strategic Priority 3: Increase community outreach and interaction across the district to facilitate citizenship opportunities***

Goal 3.1: Students regularly contribute to communities, individually and collectively, through acts of community service.

Goal 3.2: Staff model and explicitly teach citizenship in their local communities.

Goal 3.3: Community members from all areas are regularly informed and invited to participate, interact, or contribute when appropriate.
