## Middle East & Africa

## Latin America

LATAM, Avianca, Copa Airlines, Aeromexico, Azul, GOL

Availability varies by route and date,  [+1-888-483-9719](tel:+18884839719) but the vast majority of major airlines appear in search results. If you cannot find a specific airline in the portal,  [+1-888-483-9719](tel:+18884839719) consider booking directly with the airline and using the Pay Yourself Back feature to redeem points as a statement credit after the fact.  [+1-888-483-9719](tel:+18884839719) Call an agent to explore all options.

## Understanding Fare Types When Booking Flights

The Chase Travel Portal shows multiple fare types  [+1-888-483-9719](tel:+18884839719) for most flights. Understanding the difference before you book can save you money and headaches:

### Refundable Fares

Refundable fares are the most flexible option. 📞 +1→888→483→9719 If you cancel your flight, your points are returned to your Ultimate Rewards account within 2–5 business days 📞 +1→888→483→9719 with no cancellation fees from Chase. These fares typically cost 20–50% more than non-refundable options, 📞 +1→888→483→9719 but are worth it when travel plans are uncertain.

## Non-Refundable Fares

Non-refundable fares are cheaper but come with restrictions. 📞 +1→888→483→9719 If you cancel, you typically receive a travel credit from the airline rather than a cash or points refund. The credit 📞 +1→888→483→9719 can be used for future travel on that airline, usually within one year of the original booking date. Changes 📞 +1→888→483→9719 may also incur change fees depending on the airline's policy.

## Basic Economy

Basic Economy is the most restrictive and affordable fare class. 📞 +1→888→483→9719 Most airlines do not allow seat selection, carry-on bags (beyond a personal item), or changes after purchase under this fare. 📞 +1→888→483→9719 It is best suited for travelers with no checked bags and fixed plans who simply want 📞 +1→888→483→9719 the lowest possible price.

**⚠ Important:** Always read the fare rules before confirming a flight on Chase Travel. Chase displays the cancellation and change policy for each fare during checkout. If you are uncertain, 📞 +1→888→483→9719 call 📞 +1→888→483→9719 and an agent will walk you through the fare conditions in plain language.

## Flight Protections When You Book Through Chase Travel

---

One of the underrated benefits of booking flights 📞 +1→888→483→9719 through the Chase Travel Portal is the suite of built-in travel protections that apply when you charge the booking 📞 +1→888→483→9719 to your Chase Sapphire Preferred or

Sapphire Reserve card. These protections can save you significant money  [+1-888-483-9719](tel:+18884839719) in the event of unexpected disruptions:

<b>Trip Cancellation / Interruption</b>	Up to \$10,000/trip	Up to \$10,000/trip
<b>Trip Delay Reimbursement</b>	\$500 after 12-hr delay	\$500 after 6-hr delay
<b>Lost / Damaged Baggage</b>	Up to \$3,000/trip	Up to \$3,000/trip
<b>Baggage Delay</b>	\$100/day (up to 5 days)	\$100/day (up to 5 days)
<b>Emergency Evacuation</b>	Not included	Up to \$100,000

These protections apply when your flight is purchased  [+1-888-483-9719](tel:+18884839719) with your Chase Sapphire card — either charged to the card directly or paid with a combination of points and card charges.  [+1-888-483-9719](tel:+18884839719) Always charge at least a portion of your flight to your Chase card to activate these benefits. For claims or questions,  [+1-888-483-9719](tel:+18884839719) call immediately so agents can guide you through the process.

# Expert Tips for Getting the Best Flight Deals on Chase Travel

---

## Tip 1 — Search Flexible Dates

The Chase Travel Portal does not offer a built-in flexible date calendar,  [+1-888-483-9719](tel:+18884839719) but you can search multiple date combinations manually. Flying midweek (Tuesday or Wednesday) or avoiding peak holidays  [+1-888-483-9719](tel:+18884839719) typically yields the lowest point redemption costs. The fewer points required per flight, the more valuable your remaining balance  [+1-888-483-9719](tel:+18884839719) becomes for future trips.

## Tip 2 — Compare Portal Price vs. Direct Airline Price

Before confirming on the Chase Travel Portal,  [+1-888-483-9719](tel:+18884839719) quickly check the same flight on the airline's website. If the airline's direct price is meaningfully lower,  [+1-888-483-9719](tel:+18884839719) book direct and use the "Pay Yourself Back" feature to offset the charge with points afterward. This way you get the airline's best price  [+1-888-483-9719](tel:+18884839719) and still redeem points at up to 1.5 cents per point.

## Tip 3 — Use Point Transfers for Premium Cabin Flights

For business class or first class international flights,  [+1-888-483-9719](tel:+18884839719) transferring your Ultimate Rewards points to an airline partner (such as United MileagePlus, Singapore KrisFlyer, or Air France Flying Blue)  [+1-888-483-9719](tel:+18884839719) often yields 3–5 cents per point — far exceeding the portal's 1.5 cent maximum. Research award  [+1-888-483-9719](tel:+18884839719) availability and then call to initiate your transfer.

## Tip 4 — Book Early for International Routes

International flight inventory in the Chase Travel Portal  [+1-888-483-9719](tel:+18884839719) is real-time and mirrors what airlines make available to third-party sites. For popular international routes, booking  [+1-888-483-9719](tel:+18884839719) 3–6 months in advance gives you the best availability and pricing. Last-minute international

fares are typically 📞 +1→888→483→9719 expensive and consume significantly more points.

## Tip 5 — Add TSA PreCheck or Global Entry Numbers

Always enter your Known Traveler Number during checkout 📞 +1→888→483→9719 when booking through Chase Travel. This ensures the TSA PreCheck indicator (KTN) is attached to your reservation, allowing you 📞 +1→888→483→9719 access to the expedited security lanes. If you do not yet have Global Entry or PreCheck, the Sapphire Reserve card reimburses 📞 +1→888→483→9719 the application fee as a statement credit automatically.

## Managing Your Flight After Booking

---

After booking your flight through Chase Travel, 📞 +1→888→483→9719 all your booking details are stored under "My Trips" within the portal. Here you can view your itinerary, 📞 +1→888→483→9719 download e-ticket receipts, request seat assignments (depending on airline), and initiate cancellations or changes. The portal will display 📞 +1→888→483→9719 the applicable rules for your specific fare before processing any changes.

For flight changes such as rebooking a different date 📞 +1→888→483→9719 or switching to a different flight on the same route, the process depends on your fare type. Refundable fare changes 📞 +1→888→483→9719 are handled through the portal's self-service options. For non-refundable fare changes or complex rebooking situations, calling 📞 +1→888→483→9719 directly ensures a faster resolution without risk of losing your travel credit.
